DOLLY PARTON'S IMAGINATION LIBRARY

Dolly Parton's Imagination Library is dedicated to inspiring a love of reading by gifting books free of charge to children from birth to age five, through funding shared by Dolly Parton and local community partners in the United States, Canada, United Kingdom, Australia and Republic of Ireland. Inspired by her father's inability to read and write Dolly started her Imagination Library in 1995 for the children within her home county. Today, her program spans five countries and gifts over 1 million free books each month to children around the world.
